

## VINCENZO VALORI CURRICULUM VITAE ET STUDIORUM

Assistant Professor  
Department of Economics and Management  
Università degli Studi di Firenze  
Via delle Pandette 32, 50127 Firenze, Italy  
Web: <http://vincenzovalori.altervista.org>  
E-mail: [vincenzo.valori@unifi.it](mailto:vincenzo.valori@unifi.it)

### PERSONAL

DATE OF BIRTH: March 17, 1967  
NATIONALITY: Italian

### EDUCATION

Ph.D. in Mathematical Methods for Economic Decisions, Università degli Studi di Pisa. Title of doctoral thesis: Expectations and Learning in Economics. (2000).

B.Sc. in Economics, Università degli Studi di Firenze. Title of bachelor thesis: Interaction between savings and prices in a dynamic stock market model. (1996).

### APPOINTMENTS & GRANTS

National qualification (Abilitazione Scientifica Nazionale) for Associate Professor in Economics. (2014).

Member of the Council of the Ph.D. programme in Economics at Università degli Studi di Siena. (2010).

Italian Ministry of University and Research grant for the project "Information revelation in multidimensional auctions". Research fellowship. (2008-2009).

Italian Ministry of University and Research grant for the project "Non-linear dynamics and global analysis methods in economic models". Research fellowship. (2004-2005).

Tenured Assistant Professor of Economics and Mathematics at Università degli Studi di Firenze. (2003).

Italian Ministry of University and Research grant for the project "Dynamics and equilibrium in economics – non-linear analysis and differential topology". Research fellowship. (2002-2003).

Member of the Council of the Ph.D. programme in Mathematics for Economic Decisions at Università degli Studi di Pisa. (2001-2011).

Italian Ministry of University and Research grant for the project "Economic growth models with environmental constraints". Research fellowship. (2000-2001).

Assistant Professor of Economics and Mathematics at Università degli Studi di Firenze. (2000).

Università degli Studi di Firenze “Young researchers' grant” for the project “Expectations and learning in economic models with bounded rationality”. Principal investigator. (2000)

Università degli Studi di Firenze grant for the project “ Deterministic and stochastic economic models”. Research fellowship. (1999).

## **TEACHING**

### **UNDERGRADUATE:**

Intermediate Microeconomics (2009-today).

Mathematical Methods for Social Sciences (2006-2012).

Experimental Economics (2005-2010).

Behavioural Economics (2009-2010).

Calculus (2000-2007).

### **GRADUATE:**

Economic Dynamics (2001-2009).

## **SERVICE**

Co-founder and coordinator - BEELab, the Behavioural and Experimental Economics Lab of the University of Florence: <http://www.beelab.unifi.it/> (2005-today).

Member - Scientific Committee of the Inter-University Center for Experimental Economics (2008-today).

Co-organizer and programme committee chair of the “Florence Conference on Behavioural and Experimental Economics” (2007, 2008, 2009, 2011, 2013).

### **SCHOOL OF ECONOMICS:**

Member – Council of the School of Economics (2010-2013).

Coordinator – Working group for communication and informatization (2010-2012).

Member – Committee of senior undergraduate programme in “Management” (2007-today).

Member – Committee of senior undergraduate programme in “Development Economics” (2007-2012).

Member – Committee for Curricula Revision (2007-2010)

Chair – Committee for the computerization of administrative procedures (2004-2009).

### **DEPARTMENT OF ECONOMICS AND MANAGEMENT:**

Member – Council of the Department of Economics and Management (2013).

Coordinator – Working group for communication and informatization (2000-2005).

## **FIELD OF INTERESTS**

Bounded rationality, learning and expectations formation. Dynamic economic models with

heterogeneous agents.

Auctions, information, asymmetries and efficiency. Reputation in internet auctions.

Fairness and communication in contracts.

## REFEREE

Journal of Economic Dynamics and Control, Journal of Evolutionary Economics, Chaos Solitons & Fractals, Computational Economics, Research in Economics.

## PUBLISHED SCHOLARLY PAPERS

D. Colucci, N. Doni, V. Valori (2014). Information Policies in Procurement Auctions with Heterogeneous Suppliers. JOURNAL OF ECONOMICS, pp. 1-28, ISSN:0931-8658
